NORFOLK AND RICHMOND AND NEWPORT NEWS, VA.

*Entered according to Act of Congress in the year 1900, by the J. L. HILL PRINTING COMPANY, in the Office of the
Librarian of Congress, at Washington, D. C.*

Sargeant Memorial Room

Introductory . . .

TO PROPERLY prepare a directory, the experience of many years, as well as a thorough knowledge of the territory covered is required. Both of these essential qualifications are possessed by the present publishers—hence the 1900 edition of the NORFOLK, PORTSMOUTH, AND BERKLEY CITY DIRECTORY is presented with the belief that it will be found to favorably compare with, or even surpass former efforts.

The canvass of these three cities covers—comparatively speaking—a vast territory, and it is with a feeling of gratification that we can say it has been well done. We have ever aimed to give *value received*, and establish for ourselves a name which is a synonym for all that is standard and reliable. Users of this directory can therefore depend upon the accuracy of the information herein contained—the result of much expenditure of both money and labor.

We append below our estimate of the population for the three cities. Surely no better evidence is needed to convey the fact that the energy and enterprise of Norfolk and her surroundings is bearing fruit, and at the present rate of progress the dream of the Metropolitan should soon be realized.

Thanking most heartily our patrons and friends for their support.

We are respectfully,

J. L. HILL PRINTING CO.,

Norfolk, Va., March 1, 1900.

POPULATION.

NORFOLK,	PORTSMOUTH,	BERKLEY,
59,319.	25,197.	7,140.

GREATER NORFOLK,
108,456.

In the Norfolk department there are 23,273 names. Deducting from this 3,500 names for suburban residents, firms, corporate titles, etc., we have left 18,773 names for Norfolk proper. Multiplying these figures by the ratio of 3, which is the usually accepted one for the larger cities of the country, we have 59,319, the population of Norfolk,

In the Portsmouth department there are 9,899 names. Deduct 1,500, remainder 8,399. Multiplying this by 3. Result 25,197, Portsmouth's population.

In the Berkley department we have 2,980 names. Deduct 600, remainder 2,380. Multiply by 3. Result 7,140, the population of Berkley.

CAUTION!

The “Directory Borrower” still lives. Too **STINGY** to subscribe for a copy, he tells the canvasser he has no use for it, but he borrows **YOURS** for “just a few minutes,” and keeps it many days.
